

Elgin Band Booster Goals

- Maintain our current income through concession sales. This includes home football games, Elgin Christmas Tree Farm, Bat City Cycling concessions, Frank Erwin Center Concessions, bake sales at concerts, and an annual Silent Auction.
- Maintain or increase our scholarship fund of \$8,000/year.
- Promote music education at every turn. Our scholarship money is for private lessons, instrument repairs, or band camp. We fund band trips for competition and provide student tuition for Drum Major Camp. We want students at every level to succeed.
- Assist the High School and Middle school bands in ways allowed by district policy. This may include contributions for equipment, contract salaries, or funding student trips.
- Remain transparent to booster club members, band students, and EISD faculty in all functions.
